CompareMedsRx

Save More on Every Rx.

No cost, no catch, no insurance required.

We Often Beat Your Copay.

Our discount price frequently beats insurance copays, especially for those on high deductible health plans.

Keep More of What You Earn.

Every dollar saved is a dollar back in your pocket. Search our site to see what you have been leaving on the table.

Optimize Every Healthcare Cost.

Most people accept the first price they see at the pharmacy. There is almost always a better one waiting.

Who We Are

CompareMedsRx is a free prescription savings platform that aggregates more than 23 discount programs to surface the lowest available medication price at over 70,000 pharmacies nationwide. No insurance needed, no subscriptions required, and no hidden fees. Just transparent pricing, every time.

What We Do

We put the power of price comparison in your hands. Search any medication and instantly see the lowest available price at pharmacies near you, surfacing discounts most people never even knew existed. Show your free digital savings card at the counter and save up to 85% off retail. Searching takes seconds and is always free to use.
