

Recuro Telehealth

Convenient care at the touch of a button, wherever you are, whenever you need it. On-demand virtual visits with board-certified doctors for treatment of common acute medical concerns typically available in less than 10 minutes. Ideal for allergies, sinus infections, ear problems, fever, nausea, pink eye, UTIs and more. You receive treatment plans and prescriptions, if medically necessary.

- 24/7 virtual access to physicians for you and your immediate family
- Multi-channel options for your virtual visit - live video and phone
- Diagnosis and treatment plan, based on your needs, and option to ask follow up questions at no charge
- Consults can be recorded and transcribed for access after your virtual visit

How to Use

- **Register your account now.** This program is available to you, your spouse or domestic partner, and children up to the age of 26. Please activate your membership first, then add dependents.
  - Log on through the mobile app or web portal, select Recuro Telehealth, and Request Visit Online to register
  - For subsequent visits, Request Visit Online through web portal or app, or call **223.227.4435**
- **Please note:** For your dependents to have access to Recuro Telehealth, you must first add them under the "My Dependents" section of the mobile app or web portal. Additionally, dependents aged 18 and older will need to be invited as a user of the mobile app or web portal so they can access their own Recuro Telehealth account.
