Reasons Why You Need the CDL Defender® Legal Plan

Job Security

As a driver, keeping your record clear is what keeps you on the road. Motor carriers are looking at your MVR and PSP both during recruitment and ongoing evaluations. Keep your record clean and your livelihood intact with the CDL Defender.

Affordable Representation

For less than a cup of coffee a day, you get access to real representation when you need it most. No copays, no deductibles. This is not a discount plan. It's real representation with attorney's fees paid in full for covered moving, non-moving, and DOT violations.

Expert Support

Our nationwide network of attorneys have expertise in handling violations specific to CDL drivers and understand how best to represent you while you stay on the road. Plus, discounted representation for personal legal matters to help you and your family off the road.
