## EMPLOYEE BENEFITS GUIDE 2026

PEOPLEASE is pleased to offer an extensive benefits package that allows employees and their families to better prepare for planned and unplanned life events. PEOPLEASE offers comprehensive benefit options to all eligible employees. Please review this guide to help you understand the benefit options available to you and your family.

## ARE YOU ELIGIBLE FOR BENEFITS?

- Your legal IRS spouse
- Your children (dependent age limit to 26\*)
- Natural and legally adopted children
- Mentally or physically handicapped children dependent on you for support regardless of age

\*Certain limitations apply.

## WHEN CAN I ENROLL?

You may change plans as well as add or drop coverage for you or your eligible dependents. Any changes made during open enrollment must remain until the following open enrollment period, unless you experience a qualifying life event.

Newly hired employees will receive an email notifying your eligibility and deadline to enroll. Elected benefits will begin on the first of the month following employee new hire waiting period from date of hire.

## Things to Consider

### KNOW YOUR BENEFITS

Benefits are a big part of your total compensation, so it's important that you get the maximum value from your benefit plans. Be sure to review all benefits carefully and make the elections that fit your personal or family's needs.

### CHOOSE YOUR BENEFITS CAREFULLY

Your elections will remain in effect until the next open enrollment period, unless you experience a qualifying status change event.

### SOCIAL SECURITY NUMBERS

Health insurers are required to report certain information about health plan members and their insurance coverage to the IRS each year, including member Social Security numbers. Be sure you have the Social Security number for each dependent you are enrolling in coverage.

## WHEN CAN I MAKE CHANGES?

If you have a qualifying event. Life events may include:

LOSS OF COVERAGE

HAD A BABY

RECENTLY MOVED TO A NEW STATE

GOT MARRIED

TURNED 26

You have 31 days from the date of the life event to submit an enrollment change form and documentation of the event to PEOPLEASE Benefits Department. Otherwise, you must wait until the next annual enrollment period to make a change to your elections.

# Dental Benefits

## WHO IS IT FOR?

Everyone should have access to great dental coverage, which is why we offer comprehensive plans that are available through employers as part of your benefit offerings.

## WHAT DOES IT COVER?

Dental insurance helps to protect your overall oral care. That includes services like preventative cleanings, x-rays, restorative services like fillings and other more serious forms of oral surgery if you every need them.

## WHY SHOULD I CONSIDER IT?

Poor oral health isn't just aesthetic. It's also been linked to conditions including diabetes, heart disease, and strokes. So, while brushing and flossing every day can help keep your teeth clean, nothing should replace regular visits to the dentist.

# Flexible Spending Account (FSA)

## PLAN AHEAD FOR HEALTH EXPENSES

Save money by reducing your taxable income - then spend your FSA funds tax-free on the eligible health expenses you incur throughout the year. Use it on copays and other out-of-pocket medical, dental or vision expenses you would normally have to spend after-tax dollars on. Save up to 30% depending on tax bracket.

The IRS has a “use it or lose it” rule for FSAs, which means funds must be spent by the end of the plan year. Our plan offers an additional “run-out period” through March 30th following the end of the plan year for active employees to submit expenses incurred during the plan year.

## FLEXIBILITY

You can use your funds for eligible expenses incurred by you, your spouse or your eligible dependents. Thousands of products and services are FSA eligible. (Eligible expenses are determined by the IRS.)

## FUNDS ON DAY 1 + DEBIT CARD + ONLINE ACCESS

All of your FSA dollars are available on the very first day of the plan year. Use your benefits debit card at the point of purchase. You’ll also have online access to pay providers, upload receipts, and more.

## CAN I ENROLL?

Yes, you can enroll in **regular FSA** as long as you or your spouse aren’t actively enrolled and contributing to a Health Savings Account (HSA).

**Limited FSA** option also available for HSA holders.

## DEPENDENT CARE FSA

Dependent Care FSA is a separate enrollment for similar tax-free payment of **daycare expenses** (daycare for dependent children to age 13 while you’re at work). If you’re interested or have questions about this benefit, please talk to a Benefits Specialist (see last page).

## WHAT DOES IT COVER?

There are [thousands of eligible items](#), including:

### Regular FSA

- Over-the-counter medications (first aid, allergy, asthma, cold/flu, heartburn, etc.)
- Medical copays and coinsurance
- Doctor visits and surgeries
- Prescription drugs

### Both Regular & Limited FSA

- Dental, Vision & Preventative health copays/coinsurance
- Laser eye surgery
- Basic dental, crowns & orthodontia
- Eyeglasses, contacts & solutions, prescription sunglasses, etc.

A flexible spending account (FSA) lets you save money by setting aside pre-tax dollars to pay for eligible medical, dental, vision and Dependent Care expenses incurred by you, your spouse or your eligible dependents.

## CONTRIBUTION LIMITS & IRS REGULATIONS

The IRS sets the maximum dollar amount you can elect to contribute to a medical FSA.

**2026 LIMITS:**  
Healthcare FSA  
\$3,400. Dep Care FSA  
\$7,500 (married/joint)  
or \$3,750 (married filing separate)

## DEBIT CARD

The Omega Benefits debit card is the fastest and most convenient way to access your funds and pay for eligible expenses. Just **ONE debit card** is all you need for your card-eligible benefits with us. Your healthcare FSA is automatically “Limited” (LFSA) covering dental, vision, preventive (compliance with HSA regs).

For more information, see [IRS Publication 502](#)

# Voluntary Group Term Life Insurance

## WHO IS IT FOR?

Everyone's life insurance needs are different, depending on their family situation. That's why group life insurance through an employer is an easier and more affordable option than individual life insurance.

## WHAT DOES IT COVER?

Life insurance protects your loved ones by providing a benefit (which is usually tax-exempt) if you pass away.

## WHY SHOULD I CONSIDER IT?

Life insurance is about more than just covering expenses. Depending on your circumstances, it could take your family years to recover from the loss of your income.

With a life insurance benefit, your family will have extra money to cover mortgage and rent payments, legal or medical fees, childcare, tuition, and any outstanding debts. Most families will need 6-10 times their income in coverage to maintain their current lifestyle.

**If something happens to you, life insurance can help your family reduce financial stress.**

## LIFETIME BENEFIT TERM PROVIDES YOU WITH THE PROTECTION YOUR FAMILY NEEDS

LifeTime Benefit Term helps protect you and your family if you were no longer able to provide for them. Your family can receive cash benefits paid directly to them upon your death that they can use to help cover expenses like mortgage payments, credit card debt, childcare, college tuition, and other household expenses as well as long term care.

## YOU DECIDE HOW YOU WANT TO USE LIFETIME BENEFIT TERM BENEFITS

When you make the promise to protect your family with LifeTime Benefit Term, there are several ways it can work.

### AS LIFE INSURANCE

LifeTime Benefit Term protects your family with money that can be used any way they choose. It is most often used to pay for mortgage or rent, education for children and grandchildren, retirement, family debt, and final expenses.

### FOR QUALIFIED LONG-TERM CARE

If you become chronically ill, LifeTime Benefit Term will pay you 4% of your death benefit each month you receive LongTerm Care. You can use this money any way you choose, and your life insurance premiums will be waived.

Your death benefit will reduce proportionately each month as you receive benefit payments for Long Term care. After 25 months of receiving Long Term Care Benefits, your death benefit will reduce to zero.

### RESTORATION OF YOUR DEATH BENEFIT

Ordinarily, accelerating your life coverage for Long Term Care benefits can reduce your death benefit to \$0. While in force, this rider restores your life coverage to not less than 25% of the death benefit on which your LTC benefits were based. This rider assures there will be a death benefit available to your beneficiary until you reach age 121.

## BENEFIT FEATURES

### GUARANTEED ISSUE

Up to \$100,000

### GUARANTEED PREMIUMS

Life insurance premiums will never increase and are guaranteed to age 100.

### GUARANTEED BENEFITS DURING WORKING YEARS

Death Benefit is guaranteed 100% when it is needed most-during your working years when your family is relying on your income.

### GUARANTEED BENEFITS AFTER AGE 70

Even after age 70, the full death benefit is designed to last through age 99.

### PAID-UP BENEFITS

After 10 years, paid-up benefits begin to accrue. At any point thereafter, if you stop paying the premium, a reduced paid-up benefit is issued and can never lapse.

### LONG TERM CARE (LTC)

If you need LTC, you can access your death benefit while you are living for home health care, assisted living, adult day care and nursing home care. You get 4% of your death benefit per month while you are living for up to 25 months to help pay for LTC.

### TERMINAL ILLNESS

After your coverage has been in force for two years, you can receive 50% of your death benefit, up to \$100,000, if you are diagnosed as terminally ill.

### FULLY PORTABLE AND GUARANTEED RENEWABLE FOR LIFE

Your coverage cannot be cancelled as long as premiums are paid as due

# Short Term Disability Insurance

## WHO IS IT FOR?

If you rely on your income to pay for everyday expenses, then you should probably consider disability insurance. It helps ensure that you'll receive a partial income if you're injured or too sick to work.

## WHAT DOES IT COVER?

Many disability insurance plans pay out a portion or percentage of your income if you're diagnosed with a serious illness or experience an injury that prevents you from doing your job.

## WHY SHOULD I CONSIDER IT?

Accidents happen, and you can't always anticipate if or when you'll become sick or injured. That's why it's important to have a disability policy that helps you pay your bills in the event of being unable to collect your normal paycheck.

**Disability insurance covers a part of your income, so you can pay your bills if you're injured or sick and can't work. Disability may be more common than you might realize, and people can be unable to work for all sorts of different reasons. There are times when many disabilities can be caused by illness, including common conditions like heart disease and arthritis. However, many disabilities aren't covered by workers' compensation.**

## COORDINATION OF BENEFITS:

Insureds that reside in CA, CT, MA, NJ, NY, RI, and WA.

The maximum monthly benefit is limited to a specific percentage of the insured's salary if the insured resides in CA (30%), CT (60%), MA (60%), NJ (40%), NY (50%), RI (30%), or WA (60%). This is due to existing state disability plans. Rates may vary if you reside in the following states: CA, CT, MA, NJ, NY, RI, and WA.

This is a brief summary of short-term disability income insurance. Insurance may not be available in all jurisdictions. Limitations and exclusions apply. Refer to the policy, certificate and riders for complete details.

# Long Term Disability Insurance

## WHO IS IT FOR?

If you rely on your income to pay for everyday expenses, then you should probably consider disability insurance. It helps ensure that you'll receive a partial income if you're injured or too sick to work.

## WHAT DOES IT COVER?

Many disability insurance plans pay out a portion or percentage of your income if you're diagnosed with a serious illness or experience an injury that prevents you from doing your job.

## SHOULD I CONSIDER PURCHASING SHORT TERM DISABILITY TO PAIR WITH THIS BENEFIT?

Yes, if suddenly not having your income for 3 months would be a hardship for you, you should consider enrolling in the 13-week STD benefit (Option 1) on the previous page. After 3 months, if you still can't return to work, you'll have the income replacement benefit of this employer-paid Long Term Disability policy. Guardian administers both STD & LTD, and provides seamless transition for employees.

# Health Insurance Marketplace Notice

## WHAT IS THE HEALTH INSURANCE MARKETPLACE?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October for coverage starting as early as January 1.

## CAN I SAVE MONEY ON MY HEALTH INSURANCE PREMIUMS IN THE MARKETPLACE?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer health coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

## DOES EMPLOYER HEALTH COVERAGE AFFECT ELIGIBILITY FOR PREMIUM SAVINGS THROUGH THE MARKETPLACE?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for tax credit through the Marketplace. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members

of your family) is more than **9.96% of your household income** for the year (this percentage may change annually), or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit. An employer-sponsored health plan meets the “minimum value standard” if the plan's share of the total allowed benefit costs covered by the plan is no less than 60% of such costs.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer offered coverage. Also, your employee contribution to employer-offered coverage is often pre-tax. Marketplace premiums are paid after-tax.

## HOW CAN I GET MORE INFORMATION?

Please visit [HealthCare.gov](https://www.healthcare.gov) for more information about Marketplace coverage and its cost, your eligibility for tax credits, and an online application. You may also request more information from either The Peoplease Group or your worksite employer. If you are eligible for health insurance coverage through your worksite employer, you will receive enrollment and eligibility information separately and possibly at a different time of year. If you are eligible for health insurance coverage through the The Peoplease Group, enrollment and eligibility information is enclosed - if such information is not enclosed with this communication, contact your worksite employer for details.

## Legal Notices

### INITIAL NOTICE OF YOUR HIPAA SPECIAL ENROLLMENT RIGHTS

**Loss of Other Coverage** - If you are declining enrollment for yourself and/or your dependents (including your spouse) because of other health insurance coverage or group health plan coverage, you may be able to enroll yourself and/or your dependents in this plan if you or your dependents lose eligibility for that other coverage or if the employer stops contributing towards your or your dependent's coverage. To be eligible for this special enrollment opportunity you must request enrollment within 30 days after your other coverage ends or after the employer stops contributing towards the other coverage.

**New Dependent as a Result of Marriage, Birth, Adoption or Placement for Adoption** - If you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and/or your dependent(s). To be eligible for this special enrollment opportunity you must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

**Medicaid Coverage** - The PEOPLEASE group health plan will allow an employee or dependent who is eligible, but not enrolled for coverage, to enroll for coverage if either of the following events occur:

**Termination of Medicaid or CHIP Coverage** - If the employee or dependent is covered under a Medicaid plan or under a State child health plan (SCHIP) and coverage of the employee or dependent under such a plan is terminated as a result of loss of eligibility.

**Eligibility for Premium Assistance Under Medicaid or CHIP** - If the employee or dependent becomes eligible for premium assistance under Medicaid or SCHIP including under any waiver or demonstration project conducted under or in relation to such a plan. This is usually a program where the state assists employed individuals with premium payment assistance for their employer's group health plan rather than direct enrollment in a state Medicaid program.

To be eligible for this special enrollment opportunity you must request coverage under the group health plan within 60 days after the date the employee or dependent becomes eligible for premium assistance under Medicaid or SCHIP or the date you or your dependent's Medicaid or state sponsored CHIP coverage ends. To request special enrollment or obtain more information, please contact Benefits Department.

### PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are not currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 877.KIDS.NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 866.444.EBSA (3272).

# Things to Consider

## KNOW YOUR BENEFITS

Benefits are a big part of your total compensation, so it's important that you get the maximum value from your benefit plans. Be sure to review all benefits carefully and make the elections that fit your personal or family's needs.

## CHOOSE YOUR BENEFITS CAREFULLY

Your elections will remain in effect until the next open enrollment period, unless you experience a qualifying status change event.

## SOCIAL SECURITY NUMBERS

Health insurers are required to report certain information about health plan members and their insurance coverage to the IRS each year, including member Social Security numbers. Be sure you have the Social Security number for each dependent you are enrolling in coverage.
